Re Teambuilding-day of the embassy

Dear Mr Nikolaš

On the 26th of May 2010 your company hosted a teambuilding day for the employees of the embassy of the Kingdom of the Netherlands.

The program for that day was to develop:

- basic team-leading, personal initiative and cooperation;
- creativity and the possibility of development and adapting to changes;
- personal satisfaction, fun and humour

Thanks to your professional input the day was a perfect combination of learning and pleasure!

Yours sincerely,

Lisette Hurkmans-Berkers
